Re-interview of MG-100011

Re-interview of CH-100237

Will interview cases without security clearances in anticipation of staff shortages in 2nd quarter. Historically, few cases receive security hits and thus the use of manpower for these interviews when more staff is available is deemed a benefit that outweighs the potential that we will need to return to clear CLASS hits. Most CLASS/SAO hits are cleared through the use of DHS systems rather than reinterview, thus lessening even more, the potential for having to travel back for reinterviews.

Only 2 are ready.
